

Shard Bugs Official Card Errata

Effective as of August 25, 2026.

Companion to the Shard Bugs Comprehensive Rules (cards and mechanics through Set 4).

Introduction

This document contains the official card errata currently issued for Shard Bugs. The official wording below replaces the corresponding printed wording in all sanctioned play. This document contains all currently issued unprinted errata. Other corrections may be represented physically in a corresponding set's Standard Edition and therefore require no entry here. All other characteristics and printed information on each listed card remain unchanged.
